Amex Knitting & Dyeing Ind.Ltd.

Ever since its inception in the late seventies Bangladesh Textiles and Garments Industries has established itself as an indispensable and invaluable asset in the economic field of Bangladesh. The role of ***Amex*** as a partner of progress in its thriving sector has been extremely consistent and commendable as is event from its significant of foreign earnings to the national exchequer.

Amex started its journey in **1993 with its Knit Textile unit** and ever flourishing enterprises the introduction of **Garment unit in 2000 as Unit – 2,** & dyeing with finishing establishment created in the same year in RAJUK Shampur, Kadamtoli Industrial Area.

Both the company has further extended its area by introducing its printing and embroidery units in year 2009. Thus, the companies revealed itself as a 100% export oriented composite knit fabric and readymade garments manufacturing factory having knitting, dyeing, **finishing, sewing, printing and embroidery facilities under one roof equipped with latest and modern machinery.**

With the present set up, ***Amex*** is well placed to take up any challenge and satisfy all requirements of high quality Knit Fabric and as well as all sorts of Knit wearing apparel.

Amex is producing different types of knit fabric VIZ S/J, H/J, Pique, French Terry, Drop Needle, Interlock, Waffle, Thermal, Fleece etc. and all kinds of Rib with lycra quality. Also producing different types of knit readymade garments as T-shirts, Polo, Rugby, T/Top, Sarafeno/Henley, Sweat shirts/jackets, Pajama suit, shorts and Under-garments etc. with print and embroidery as per demand of our valued foreign client

Both the textile and garments , PRINT & EMBROIDERY units are **Oeko-Tex 100 Standard Certified** industry.

Both of our sewing/garments units are ACCORD , **BSCI , CEDEX , OCS , GOTS , SUPIMA - audited factory**
